A uniquely creative
educational experience for
wonder-filled learners!

It is our pleasure to introduce The Campus at Win kids Program.

The Campus is a motor skill based educational experience for children ages 2–5. This is a one-of-a-kind program that gets children EXCITED about school!

We are passionate child development experts dedicated to creating positive early experiences. We know kids LOVE TO MOVE and be actively involved in their learning. Through movement, they discover their physical place in their environment and discover things about themselves.

Win Kids provides the best possible environment by combining TWO SEPARATE WORLDS of child development: basic literacy skills and an academic curriculum with one of the best gymnastics, sports and motor skill programs anywhere.

We incorporate activities from all key areas of development including social, personal, emotional, language and early literacy, health and safety, math, science, social studies and physical development.

We are excited that you are considering a partnership with us to help you develop a healthy, happy, responsible child!

THE CAMPUS Mother's Day Out Ages 2-3

Age-appropriate individual and group activities including:

**Gymnastics Games
& Exploration**

Group Activities

Motor-Skill Development

Music, Crafts & Snack Time

Weekly Gymnastics Class included!

PLAY. LEARN. GROW.

Drop your little explorer off at Win Kids for a special time designed for younger kids.

Let your child experience the fun and excitement of gym games, story time, musical movement, crafts and much more. All The Campus students will attend a Win Kids Gymnastics class taught by our gymnastics coaches once a week.

Snack time includes a gold fish and lemonade snack or you can provide your child's own snack. Our caring instructors will ensure your child is having a great time while you have some quality time for yourself.
